“ I'm so lost mamma. I want to hear your voice so badly. I know you are no longer in pain, and that is the only thing getting me through this.
I love you so much

“ To Donna: I'm sitting here with you on my mind. It doesn't seem real to me that you are not next door when I come walking in. You adopted me as your son and I adopted you as my mom. I'm gonna miss making you laugh and kissing your forehead when I enter your home. We shared almost 9 years of family hood. That's what you are and will always be to me, family. Rest easy and we will see one another again. Love You Momma Donna!!!. Ron, your next door neighbor, your adopted son.
