“ Cobb Radiology Associates, PA. That was such an amazing era of my radiology career. An era where the billing office staff and the radiologists were family. And Doris Bolton was an integral member of the family. I remember many fun holiday gatherings with delicious food and goodie bags supplied by Doris and the rest of the staff. After Cobb Radiology Associates was no more, I would periodically catch up with Doris, immaculately dressed in business attire, in the halls of Cobb Hospital or in the hospital cafeteria. She would always take the time for lively conversation, with her catching me up on her family and former coworkers and my catching her up on the radiologists. Most recently as a volunteer in the Cobb Hospital gift shop, she helped me choose a lovely badge holder while we caught up. When she told me her age I could not believe it. A beautiful, energetic, forever young woman!

“ I was so saddened to hear of the passing of precious Doris... You know... many MANY people cross your path, throughout the course of your life. Some, are SO special... that they hold a piece of your heart... this was certainly the case with Doris. Below is a photo... of a Prayer Book, that she gifted me- the night before my Mother was taken off Life Support... and passed away. I came Home, to collect a few items to spend the night at the Hospital, & this beautiful Prayer Book, along with some fresh flowers had been placed at my doorstep. It was EXACTLY what I needed to see, at the time.. when I felt like my entire world was crashing down around me. She helped me thru the darkest days/nights I have ever known. I will forever be blessed to have known such a lovely soul as she was. I couldn't have made it, or wanted to see the sunlight again- without her words of wisdom, Love and Prayers. I loved her ...
Goodnight Sweet Doris

“ Thank you Dr. Meier! Mother thought the world of you and loved her days at CRA. Such wonderful memories we talk about and share with each other. Those were indeed the good old days when we all felt like family.

Connie Bolton Mauro - March 28, 2019 at 05:15 PM

“ Mrs. Bolton was an icon for those of us with roots in Austell and South Cobb. Always active and always giving, living and doing for others. She was not related to me but it always felt like she was, because her brother Frank was married to my grandmother's cousin Carolyn. I also saw her almost every time I ever stopped at the McDonald's on Austell Road. I always spoke to her and she never failed to be sweet and cordial to me. My prayers are with the family as we all mourn the loss of this wonderful lady.

“ Dwight and I (Nita) was Doris' next door neighbor. Dwight lived there for some time and I came along a little bit later. From the day I met her, almost nine years ago, she treated me like family from day one. We loved her like family! That woman was always on the go. Starting with her morning walks to her coming home late from work or volunteering. We always checked in with each other and looked after each other. Having her in our lives was a blessing and an honor! She is greatly loved and will be greatly missed!

Connie Mauro - March 18, 2019 at 09:11 PM

“ Doris will truly be missed so very much. She lived across the street from me and for 34 years our friendship grew. The few times she asked me to get her mail and watch her house when she was out of town with loving members of her family was an honor. She was always there for me, and my granddaughters RyLey and Ella, if we needed anything. Her faith in God, nurturing love and continually inviting us to Calvery Baptist finally occurred! RyLey, Ella and I have been members for 5 years now. We always looked forward to seeing her Sundays as a testament to our faith and love in God. Doris was always an inspiration to us and we will miss her tremendously. Our heartfelt condolences and love go out to the whole family. Doris was so blessed to have you all.

“ I am so sorry to hear of the passing of such and Godly Woman. Mrs Doris was like a 2nd Grandmother to me while I attended college. I will always remember going to church with her every sunday and working late night visitations with her. She was such a kind and LOVING person.

“ I have so many wonderful memories of Doris and her family growing up at Orange Hill Baptist Church. Last year she was such a good friend and support to me and my family when my Mother, Emily Woody, was sick and after she died. I know she and my Mom are reunited again and that brings me such comfort and peace. Much love and prayers to the family. Linda Woody Stephens

“ What a presence this beautiful lady had! She always greeted with a smile and big hug and always had words of encouragement or advice. Alana and I affectionately nicknamed her "Ms. Sassy" because she was always dressed to perfection and looked beautiful. We sure will miss her but we know she is now in the arms of Jesus and oh how happy she must be. The Lambert's send lots of love and prayers for the entire family.

“ So sorry to learn of Doris' death. Such a great Christian woman who will be greatly missed by her family and friends.

Elaine Wade Brock - March 18, 2019 at 03:44 PM

“ Ms. Doris when she lived here in Austell would walk around our block 3 times and the way the woman moved was an inspiration to everyone. My husband and I would watch out for her and she would laugh and say she is fine. We also worked with her at Wellstar Hospital Volunteer Office. Ms. Doris always came in so cheerful and telling us stories about her loving family and we will truly miss her. Peace to you my friend.

Rose & Bill - March 18, 2019 at 04:20 PM

“ Dear Connie,
My appreciation for life was enhanced each time I talked with Doris. She radiated goodness to all of us at Cobb Radiology, and that helped each of us to better care for our patients. Even beyond those years, she always had time to chat with me when we saw each other at the hospital, and I cherish those moments. I am so glad we had our evening together in January... God at work... through her we saw! Amen

Dr. C. - March 18, 2019 at 04:55 PM

“ I wanted to express my sympathy to Ms. Doris' family. She was such a wonderful person and helped so many. She was especially inspirational to me during the time following the unexpected death of my husband a couple short years ago. Each time I saw Ms. Doris, whether at church, the hospital, or at a memorial event, she had a warm smile and encouraging word for me. In those moments, it was like God reaching out to me thru Ms. Doris, and I am so very grateful to have known her. Additionally, she connected with my Mother, who now lives with me. Ms. Doris took the time to chat with Mom and make her feel welcomed whenever they met. Ms. Doris is the kind of woman younger woman look up to and aspire to be...a real blessing. She will be greatly missed.

Deann Dale - March 18, 2019 at 05:22 PM

“Doris was a wonderful friend. When I moved into my home directly across the street from her, she was there welcoming me. She was there for me when my children were born and grew up, and when my granddaughters were born and are still growing. In her sweet loving way, she continuously invited us to go to church. One summer about five years ago, Doris invited RyLey, my oldest granddaughter, to VBS. It was the beginning of a closer relationship for us with Doris, the members of Calvary Baptist Church, and God. When my second granddaughter, Ella, was born, Doris was right there. It was her faith in God and love for us that brought us where we are still now. She was always an inspiration to us to live according to God’s words. Doris will be truly be missed by us all. Our heartfelt prayers, thoughts and love go out to the whole family.
