“ Guestbook 01/21/2012 - Elisabeth Eyre McClellan I remember Dot always being there at Westside Baptist, even though I was just a kid. My prayers are with you in your loss. 01/20/2012 - Bobby and Carolyn Wiggins Our sympathy and prayers to everyone apart of Dot's life. We appreciate the love and care she showed to us. She was our precious aunt, and we will remember her testimony of what it meant to live for Christ. Bobby and Carolyn Wiggins, Tyler, Tx. 01/17/2012 - Patrice Moore Mrs. Dot, I was special enough for some one like you to have been a part of my life. Without any grandparents of my own you helped to fill that void in my life during my childhood. I will always look back on those Sunday afternoons we shared with you, and hold your memory dear. 01/17/2012 - Terry Rankin Sad to hear of Dot's passing - but celebrating her going home to Jesus! She was always a joy to spend time with and she was a longtime faithful partner in our Wycliffe ministry. | |
