I'll always remember the good times we shared. Please know that you all are in my thoughts and prayers. 11/09/2010 - Sally Couey Dot was not only a coworker of mine for a few years at CSH but a dear friend also. She was one of the kindest people that I have ever known. Heaven has truly gained a beautiful Angel. Dot was really quite comical at times and brought much laughter to Melissa, Mrs. Wiggins(Audrey), and me. When I got a job in the personnel dept., she came and visited me several times. My prayers go out to all of you now and in the days to come. Sorry that I will not be able to attend the service. God Bless you all! 11/09/2010 - Melissa Y. Bonner I cannot use enough words to express my heart as it relates to my friendship with Ms. Dot. Just a few Friday's ago, we ended our phone conversation in our usual manner - I love you and you're special to me. I enjoyed and will remember all of the special times of talking, eating, sharing, and laughing. As precious as she was to me, I know that you guys hold a lifetime of wonderful memories of your dear loved one. Ms. Dot will be sorely missed in this life; however, I recall her saying to me that she was at peace and God was in control. Be encouraged, strengthened, and comforted and know that you all are in my thoughts and prayers. Ms. Dot's life and friendship were a blessing to my life, and she will always live in my heart. 11/09/2010 - Kimberly Moore Words can not express how much Ms. Dot meant to me. She was the sweetest person I have ever known and I will always love her. GOD does not make mistakes. He wants this sweet and kind angel in HIS kingdom. You all will continue to be in my thoughts and prayers. Love, Kimberly | |
