“ Posted by: Mark D. Fonner Edna, you were simply one in a million. You came into our lives when we needed you the most and our children are much the better for it. Matthew and Jennifer loved you like their own grandmother and when we moved back north, this was the hardest part of leaving. Now you have left us. But not left, just went to be with God. Johnny I am sure was waiting for you as was Jesus. Your passing will go on to be one of the hardest moments of my life. I wish I could be there to see you off. You will truly be missed! Beyond measure I might add. I only remember telling you this once and it made you cry but my family and I love you more than you can ever imagine. Please meet me there at the Pearly Gates with Jesus and a plate full of those Crab Cakes! :) Love you and please don't cry! You are home! Mark Fonner 03/08/2014
