God Bless and we will keep your family in our prayers. Angie and Joe Tyson & Barbara Lawson 08/16/2013 Karen Daniel (Granddaughter-in-Law) Grandmother, when I became part of this family, you definitely became my "Grandmother" you made me feel so welcome! I knew from the first time I met you that you were a unique and very special lady, who remembered everything about everyone including birthdays and how old everyone was. One thing that stands out to me more than anything is that you put other's needs before your own and nothing made you happier than for your family to come see you or simply call you on the phone. I know now when God spoke of a "Virtuous Woman" in Proverbs 31:10, he had you in mind. You have been an example for our family to live by and someone who I am glad I got to meet on this Earth and will one day meet again. You will definitely be missed on this Earth because of your genuine heart and love for others. You are finally in the place that you have talked about all these years, now enjoy yourself!!
