“ Bill & Pearline Burdette KJerry, Last night, Mark told me about the passing of your dad. Please accept our condolences on your loss. My family always enjoyed our time spent with your parents - the fishing trips to Port St. Joe and the camping trip we made with them and the Twilleys out west. That was so long ago now. I guess if there is a "Presnell's Fish Camp" in heaven, Garland Hobbs and Jim Twilley are on the water there right now fishing for those spot trout and fussing over which caught the largest!
