“ Joe was always one of the most kind and gentle people you would ever encounter along life's journey. He will be missed. His family and mine were very close growing up all this years ago. Many fond memories of his smile and genuine love of all people. Sending warming energy to Charles, Patsy and their families in this time of loss. One saving grace is we all know Nat, Ern and Mama Scott are with my mom and day, Jim and Nell, one the other side having one heck of a life celebration with Joe. Peace be with you.
