“ We loved her so much. We have great memories we will forever cherish. Some funny some sad. She was the best sister all though we were not related by blood we were connected by the Soul. Prayers for all of Laura's family and extended family.

“ Lamar and family we pray in days to come, that y'all will look back and know you only have great memories with Laura. She was always very sweet to all of us. We have been friends with the Toler family for a long time and we remember when Laura came into the Toler family and she was always so kind when her and Lamar would come to visit. May GOD wrap his arms around Lamar and the rest of the family and give y'all peace and comfort in your time of sorrow!! And if we can do anything, We are just a phone call away!

Love,
Chris & Jeanette Payne

“ You were and forever will be the best mom a son could ever ask for. I love you so much. Tell Dad and Joe I love them too.

“ It's been two days and we still can't wrap our minds around the fact that your gone. Mom and I feel so empty and our hearts hurt so bad. We can't even say your name without busting into tears. I hope some way, some how, God let you see the chain of love surrounding you with prayer. I knew you would want that and I made sure that chain included everyone that was there. Please send Lamar a sign to let him know you are at peace now and he will share that information with all of us. We love you and miss you, give Joe a hug from us all. We can't say goodbye, but we will say "see you later".

With all our love,
Mom and Libby
