“ Dorothy Volpe I only knew Monteen in the nursing home the past few years. She was such a wonderful and sweet woman. She constantly talked about her family and loved all of you dearly. I am so glad that I was able to see her Friday and get one last sweet smile from her and she was able to pet the puppy I held up for her. I will miss her, but know that she is with her lord and family that were waiting for her. My deepest sympathy, Dorothy 04/17/2014 Sandy Naghshineh So sorry for your loss Tammy and family.
