“ Posted by: Stacy Ratteree Happy Birthday mom. I miss you so much. I am sorry for all the fights we had, everything as a teenager, but most of all, that there was nothing I could do to help your pain go away. I hope you are looking down and saying I did okay. I have done what I can do for Kaleb and he is doing well, but of course you know that. I hope you are proud of what I have done. I love you very much and think of you every day. 09/24/2011 Posted by: Tommy Smith I just heard about Nancy and I just wanted to let Catherine and the family to know how sorry i am for their loss. 05/20/2011 Posted by: Patsy & Chetty Kisling Stacy and Caleb, I don't even know where to begin or end. Nancy & I go back to about age 8 and have been best friends through the yrs.. I can't begin to tell you how much I'll miss her, so I can't even think of how you both are dealing with her passing. All I can say is she is in a better place without any suffering. The sepsis actually made it faster and more peaceful. I'm so thankful for the chance Glenda and I had to see her a couple of weeks before she left us. Also, I called her on Tuesday before she went to the hospital on Friday. I told her I loved her and she told me the same. I wish everyone had a good friend like her. Our prayers will be with you in the coming days, weeks, and months as you both grieve. 12/11/2010 Posted by: Mary Lou Miller Stacey, My thoughts and prayers are with you during this time.
