“ Lamar Lambert Uncle Henry expressed my thoughts. Faith, Hope and Love. Uncle Buddy and Aunt showered me with love before Nancy and Sylvia were born when we all shared a small house in College Park. They treated me like their own son. Years later they again showered us with love by taking care of my mother in her last days when I was not capable of it. I know that Nancy and Sylvia were loved in the same way, Nancy loved just as her parents did. Now we turn to Faith and Hope that at the great reunion we will all share in the Love that Christ has given to us. 08/09/2012 Lisa Cowart I had the pleasure of knowing and working with Nancy over the years.
