“ Posted by: Shad Bradley Walls Mysteriously this morning, a message came through my feed and it was the story Lewis Grizzard wrote the day his dog, "Catfish" passed. A smile came across my face as Phillip was Lewis's biggest fan and was just beside himself when Lewis passed... much like the way I feel right now. Miss you and will Always Love You, My Dear Friend! 05/09/2012 Posted by: Kelly Walls You will be missed and loved forever by many... 05/08/2012 Posted by: Brad Walls My heart is breaking as I've just learned of this sad news. Worked for Phillip for many years. He was one of the kindest and most generous human beings I've ever met! It had been many years since I had seen Phillip. I now reside in Florida, but had recently been up in Mableton and passed the old print shop. I thought about my friend and was hoping to look him up and reconnect. So saddened that I didn't get the chance. My condolences to the entire Flowers family. Farewell, my dear friend. We will meet again. 05/08/2012 Posted by: Humane Society of Cobb County The Staff and Board members of the Humane Society of Cobb County wish to express our deepest condolences to the family and friends of Mr. Flowers.
