“ Posted by: ashley hudson L Uncle Steve was a wonderful man who lived for his daughters. Sadly, I hear that his final wishes for his life insurance was not given to his daughters. While I'm not exactly close with his daughters, I knew my uncle and his love for his girls. He of all people should be honored in death and have his final wishes carried out. He loved his girls and would be very upset that they were not taken care of after his death. He was a great man who was loved very much. It makes me sad he was taken advantage of after his passing. Anyone who knew him knows he would have wanted his girls taken care of by his life insurance. Too often people are blinded by love and trust the companion will do what is right. However, it's sad when money becomes involved people bc selfish. Rest in peace Uncle Steve. I hope in time your final wishes will become a reality. 02/14/2014

Posted by: Linda Camp Palmer The Gossett cousins have always been close. From the time we were kids growing up, eating mac & cheese at MaMa's and PaPa's, we loved each other. As we grew older the time spent together lessened but never the love. I will miss you Steve. My thoughts and prayers go to Cindy and all Steve's family. 02/08/2013
