My son & I were just talking about him a couple of weeks ago. My husband, Jack Holland & McWaters as he called him worked together for many years at station #1. Jack bought a 6hp lawn tractor 1966 and he had Mcwaters make him a blade, field harrow, trailer, and plow for it. It is now 2010 and my sonis still using the equipment on the tractor. He was a fine man and Jack thought highly of him. I am so sorry. He will be greatly missed I know Prayers are with you and the family.
